All cancellations or changes to reservations must be made by the person listed on the reservation. Cancellations must be made at least 30 days prior to your arrival date and a \$50 cancellation fee is applied. If a reservation is canceled within 30 days of arrival, money received will be forfeited unless cabin is re-rented for the same number of nights. You may choose to reschedule your visit one time if cancellation is made at least 14 days prior to arrival for small cabin or 21 days if large cabin. Scenic Cabin Rentals is not responsible for inclement weather, illness, someone in your party "backing out", etc.

Cleaning Fee:

Our cabins have a \$40-\$100 cleaning fee plus tax affiliated with all rentals. Fee depends on size of cabin. This is applied to all rentals at the end of the booking process.

Damages:

All of our properties are vacation homes that are privately owned and furnished. All items are inventoried before and after each guest, missing items and damages to property will result in additional charges. Guests and their visitors will not participate in any activities that will cause damage or excessive cleaning to the property. **Loud and large house parties are forbidden** and will result in immediate eviction without refund. **No Smoking is allowed in ANY cabin.** Broken items, wall damage, furniture and carpet damage, busted hot tub covers, lost keys, lost tv remotes, will be charged to your account if found after your departure. It is best for you to contact us regarding damage, stains, broken items to discuss reimbursement. **Broken Hot Tub covers will result in \$400 charge** to your credit card as a replacement cost. Do Not Sit On Hot Tub Covers, they will break. In case of any of the above infractions your authorized damage deposit will be utilized to cover damage. **Hot tubs that need drained and cleaned due to excessive bubbles (bubble bath, shampoo, lotions & oils), dirty cloudy water, debris, will be charged \$75 to your credit card.**

Hot Tubs:

Hot Tub Rules are posted in each cabin. Make sure you read prior to use as there are fees associated with leaving a dirty hot tub, damage to hot tub covers. Fees for hot tub covers are quite extensive as replacement cost is \$400. Dirty hot tubs requiring draining will result in \$75 charge to your credit card. Keep Hot Tub Covers On When Not In Use. **Unfortunately, hot tubs do malfunction occasionally; we do not place a high \$\$ value on a hot tub and therefore cannot refund more than \$40 for hot tub malfunctions.**

Refunds:

Scenic Cabin Rentals strives to keep all our properties in good working order, clean and well furnished. However, as with anything that is mechanical, etc, failures will sometimes occur. Generally if we are notified we can have someone available within a day or two to fix or replace minor issues. We occasionally experience outages that are beyond our control. We report outages as each occurs. No refunds or compensation will be given for any outages. There shall be no refunds of rents due to shortened stays or ruined expectations because of weather conditions or due to work and family emergencies or other commitments. No refunds will be issued for early departures, minor malfunctions, HOT TUB MALFUNCTIONS, inclement weather or someone "backing out". We also only place a small value on our hot tubs and we will not refund money paid for accommodations if there is a minor malfunction with a hot tub. Hot tubs are maintained, kept cleaned and on at all times. Scenic Cabin Rentals reserve the right to move your reservation to a comparable property if necessary. You will be notified should this be necessary. **SHOULD YOU HAVE AN ISSUE WITH YOUR CABIN YOU NEED TO CONTACT US UPON ARRIVAL. It is advised that you arrive during office hours as phones are not monitored after hours. Late check ins after 9:00 pm will need to contact the office the following morning after 9:00 am.**

Trash:

Trash has become a major issue because of raccoon's, crows, mice, and trash service is only weekly. Trash service in our area is only done by pick up truck and therefore they have strict rules about removal of trash. **ONLY BAGGED TRASH WILL BE REMOVED FROM PREMISES. This means all your trash must be placed in bags, tied tightly, placed in trash can with lid on tightly.** This applies to all your cans, bottles, boxes. We suggest you burn your boxes in the fire-pit to reduce trash. Remember the lids must fit tightly on the trashcans or the animals can easily get into the can and create a mess. The trash service will not remove trash in this case. If the trash cans are full then you are responsible to take your trash to the dumpster or leave bagged in your cabin if no dumpster. Do not over stuff trash cans or throw on top of other cans. Trash pick up is only once a week so sometimes trash cans may be partially full prior to your arrival. Dumpsters are provided in the Cliffview Resort area for your use in this case. Non-compliance of trash policy will result in an

additional charge of \$75 to your account. Please be considerate and follow policy. It is a terrible mess to clean up after animals have scattered trash all over the premises or created a disgusting mess in a trash can.

Amenities:

Each cabin comes with a charcoal or gas grill or both, some sort of tv service with movie channels, dvd/vcr, microwave, toaster, coffee pot, deck, deck chairs, fire-pit. Our cabins **DO NOT** provide **Bath Towels, please bring your own Bath Towels, Paper Towels, Coffee Filters, Flashlights, Toiletries.** For guests on motorcycles, flying in or traveling through, we have bath towels at our office and you can pick up at Check In. **Please ask for bath towels if you need them. Cabins supplied with bed linens, hand & dish towels, starter supply toilet paper, 3-4 trash bags, liquid hand soap & dish soap.** Some cabins have Jacuzzi tubs, hot tubs, fireplaces, game tables such as pool table, Air Hockey, Foos Ball or Ping-Pong. Your cabin may have other items not listed, check our website and look up your cabin for a list of amenities in each cabin.

Check your gas grill for propane upon arrival. If propane is out you may contact us to see if maintenance can bring you another. Calls must be made before 5:00 PM or will be addressed next business day. You may exchange an empty propane tank at our office at no charge should one run out on you. **Take Note: Cell phone service is unreliable in the region, you may need to be on a deck or in a high spot to obtain a signal.**

Smoking:

There shall be **no smoking inside** the premises. Smoking is permitted outside the home. Evidence of smoking inside the cabin will result in policy violation and your credit card will be charged additional fee of \$200. Many owners despise smoke in their homes.

Pests: Bugs & Mice

Lady Bugs, Wasp's, Wood roaches & Mice are native & prevalent in this area. These bugs and mice attempt to come in seasonally. We do exterminate regularly and do our best to eliminate them, but you may see them in your cabin occasionally. Unfortunately, there is only so much that can be done for prevention when we've invaded their territory.

Pets:

A few of our cabins allow pets for an additional one time charge of \$50. Most cabins only allow one pet per cabin, if you have 2 please call the office for exceptions. All pets must be disclosed at time of reservation. Because some renters only want non-pet cabins due to allergies etc, we ask your honesty in revealing whether you are bringing a pet. Any pet found in a non-pet cabin will result in an additional \$100.00 fee and eviction. Pets must be leashed or crated when left unattended in the cabin.

Fire Safety:

Our cabins are all wood structures and located in wooded areas so it is of utmost importance that you adhered to the following rules:

Only have fires in fire-pit area and keep small enough to fit within the diameter of the fire ring or fire pit. Do not leave fires unattended and always throw water on fire when finished. Do not drag uncut logs or trees onto fire. (Be Smart!) Do not use charcoal grills on decks. Do not leave burning grill unattended. Do not discard burning embers, charcoal, ashes on ground. Dump into fire-pit or wait till cool and bury. Do not put charcoal into gas grills! **DO NOT THROW CIGARETTE BUTTS OFF DECK, ON GROUND, ETC. NO FIREWORKS!** Use caution when removing ashes and only dump in fire-pit or bury. Make sure ashes are cold before removing.

Lost and Found:

Items left in cabins will be left in our storage garage for up to 30 days for you to pick up. Due to time

constraints, lack of convenient post offices, travel time to get to post office, limited post office hours, we can no longer mail inexpensive items back. We make exceptions for valuables such as wedding rings, Passports, prescription glasses, wallets, camera's, IPAD's, etc. Just contact us to save your item and let us know what day you will be picking it up. We will have it ready for you. For expensive items needed returned via mail call the office to pre-pay shipping and to discuss shipping arrangements. Thank you for understanding the inconvenience of shipping in our rural region.

Road Conditions: Mountain roads can be winding and steep. **In winter we do recommend or require four wheel drive if there is any chance of snow or ice.** Often roads are not treated in winter. **Do Not Expect Roads to Be Plowed and Salted on your arrival or departure day as they typically are not. Many roads are not plowed or treated in any way.** If roads are icy we advise waiting until late afternoon to depart as often the roads melt by then. We will not expect you to leave by 11:00 AM if roads are icy. On rare occasion if roads do not clear on your departure day we will allow you to stay an extra day at no charge. If there is an ice or snow storm on your arrival day we will contact you to ask about your type of vehicle and may offer you the option to trade dates. **We advise staying put and not driving when there is snow and sleet in the area. Roads can be treacherous.** Park at top or bottom of hills/driveways in winter if you choose to come in during winter weather. We do give out numbers to towing services since we are unable to assist should your car go off the road.

Indemnification: Scenic Cabin Rentals, nor the homeowners, are not responsible for accidents, falls, injuries, bed bugs, illnesses that occur on the premises or within the home. Scenic Cabin Rentals nor the home owners are liable for loss or damage to any property due to theft, fire, water, rain, hail, lightning, failure of utilities, or guests or visitors of guest at any time while on the premises. It is agreed that the guest is assuming the risk of any harm arising from their use of the premises, or others that the guests may have invited to the premises. This includes use of any ladders on bunk beds or access to top beds. Please monitor and assist children when on ladders. Items left behind or forgotten are not the responsibility of Scenic Cabin Rentals or the homeowner. If notified about missing expensive items, we will attempt to find and return things such as wallets, keys, glasses, rings, cell phones, IPODs, etc. Scenic Cabin Rentals does not assume any responsibility should your car go off the road in winter. We will attempt to help any guest with car trouble by giving out phone numbers of towing services but cannot guarantee service.

Owners Closet: Tenant agrees not to access the "owner's closet" or any locked closet. Please check closets, even if unlocked, for cleaning supplies and chemicals that could be hazardous to children and adults. Please do not take linens out from any closets as housekeeping stores extras for the next guests. Beds are made with clean linens.

Fire Extinguisher: The property has a fire extinguisher installed near the kitchen area or under kitchen cabinet. The fire extinguisher was fully charged at last inspection. It is the duty of the renter to inform management immediately if you had to use the fire extinguisher. Renter agrees to use the fire extinguisher only for true emergencies.

Fire Alarms: The property has fire alarms installed and they are believed to function properly at the time of rental. regard to satellite TV service. We provide DVD's at our office in case a satellite system goes out.

High speed wireless internet is provided in some cabins, as a convenience only, and is not integral to the agreement. No refund of rents shall be given for outages, content, lack of content, speed, access problems, lack of knowledge of use, or personal preferences with regard to internet service. We are still very rural and often internet service is spotty at best. You may have to go to our office for internet if it is not working in your cabin.

Heat / AC: Renter agrees that Air conditioning shall not be set below 74 degrees and heat shall not be set above 76, and that the fan setting shall be "Auto". Doors and windows shall be closed when either heat or air conditioning is in operation.
